

Walking directions from Leeds City Rail Station

Exit the train station and with City Square in front of you and the Queens Hotel behind you, turn left and walk straight down the right hand side of Wellington Street (with the old Majestyk on your right). Take your third right onto Queen Street and we're up the second set of steps on your right.

Driving directions from the M1, M62 & M621

Exit the M621 at Junction 3 and follow signs for city centre for approx 1 mile. As you come past the Hilton hotel and under the rail bridge, keep in the left hand lane and follow the road round to the left. Continue straight on following signs for inner ring road & airport A65. After you pass Nisa and Coop on the left you come to a set of traffic lights. Turn right at these lights onto Queen Street for metered parking, or go through the lights and turn left at the next set of lights onto Wellington Place for the NCP car park.
